90.01 Complaints

§ 90.01 COMPLAINTS.

(A) There is hereby established a formal method for the reception, review and evaluation of grievances made by employees or citizens that the county has denied them equal opportunity of employment or access to public services and programs or county facilities because of a physical handicap or impairment.

(B) A person who feels that he or she has been discriminated against, treated unfairly or denied equal access to public services, programs or facilities as a result of a physical handicap may file a complaint with the County Board of Commissioners.

(C) The complaint referred to in division (B) above must be in writing and must describe the particular act or omission constituting the essence of the grievance and, where applicable, must set out the time, place and date of the alleged act or omission. However, the Board of Commissioners shall review any complaint when, on its face, it states sufficient facts for the Board to investigate the situation and to determine whether there is merit to the complaint.

(D) The Board of Commissioners, upon receiving a written complaint, must conduct a fact-finding hearing within 15 days of the submission of the complaint. No formal rules of evidence shall apply at this hearing, which may be adjourned as necessary for the submission of additional evidence in the form of testimony, photographs, exhibits or other evidence. The hearing shall be conducted in an open session of the Board of Commissioners, although the Board may conduct executive sessions for the purpose of deliberating, all according to the provisions of the State “Open Door” Law. Written notice of the hearing setting forth the date, time and place shall be given to the complainant not less than seven days prior to the scheduled hearing date. Notice shall be presumed to have been given on the date the notice is placed in the United States mail, postage pre-paid, to the address of the complainant as indicated on the written complaint as filed.

(E) A complainant appearing at a hearing held by the Board of Commissioners in response to his or her complaint shall have the right to present evidence in regard to the complaint and may be assisted in the presentation of his or her case by another individual, including legal counsel.
(F) After hearing evidence from the complainant and any other witnesses appearing at the hearing, the Board shall determine whether the complaint has merit, and if it determines that it does, the Board must then determine what is the most reasonable method to correct or rectify the situation, setting out a clear and definite plan for correction of the offending practice or procedure. If the Board determines that the complaint is without merit, the complainant shall be advised in writing of the determination and shall further be advised that he or she has the right of judicial appeal. The Board’s determination shall be made within 30 days following the conclusion of the hearing.

(G) All complaints pertaining to alleged discriminatory practices or procedures, even if no hearing is sought thereon, shall be retained on file for a period of three years. All hearings shall be recorded by tape recorded means and the tapes maintained on file for a similar period of time. Decisions of the Board of Commissioners shall be duly recorded in the minutes so as to show full compliance with all the requirements herein. This procedure for filing of a grievance based upon discrimination of the handicapped shall be available in written form for public inspection in the office of the County Auditor.

(H) For the purposes of this section, and all proceedings conducted under its provisions, the term PHYSICAL HANDICAP shall be broadly defined to include all forms of impairment including, but not limited to, deficiencies in sight, hearing and speech, as well as neuromuscular impairments and mental deficiencies. The term shall be broadly construed to give effect to the purpose of this section, which is to ensure that no handicapped person is denied the right to participate in the democratic process, to enjoy the benefit of public services, or to seek employment opportunities when they are otherwise qualified to do so.
