In order to comply with guidelines set forth by the Governor's Commission for a Drug Free Indiana, members of CADA have identified two problem statements and corresponding objectives for Wells County. Agencies or programs targeting these issues are eligible for grants up to \$1,200.00 per year. **Each grant request must comply with the Indiana Code 5-2-11 definition of prevention, criminal justice services and activities, or intervention listed below. The grant request must also meet at least one objective identified in Question 1 of the grant application. Grant requests that do not meet these requirements will not be considered for funding.** Please review all definitions, problem statements and objectives to determine the eligibility of your request.

The three program areas for the Drug Free Community Funds are defined in Indiana Code 5-2-11 as the following:

- 1) **PREVENTION** refers to the anticipatory process that prepares and supports an individual and programs with the creation and reinforcement of healthy behaviors and lifestyles.
- 2) **CRIMINAL JUSTICE SERVICES AND ACTIVITIES** consists of programs that assist:
 - (1) law enforcement agencies;
 - (2) courts;
 - (3) correctional facilities;
 - (4) programs that offer probation services; and
 - (5) community corrections programs;with individuals who have alcohol or drug addictions and who are suspected of having committed a felony or misdemeanor, have been charged with a felony or misdemeanor, or have been convicted of a felony or misdemeanor.
- 3) **INTERVENTION** is defined as:
 - (1) activities performed to identify persons in need of addiction treatment services; and
 - (2) referring persons to or enrolling persons in addiction treatment programs
