NOTICE OF AGRICULTURAL ACTIVITY

TO: ALL PETITIONERS IN AGRICULTURAL ZONED AREAS OF WELLS COUNTY, INDIANA

This notice is given to you because of your petition to move into an area of Wells County that is zoned for Agriculture.

The purpose of this notice is to assure you are aware that all agricultural operations are allowed in this area.

Agricultural activity may include, but is not limited to, grazing of livestock, confined feeding of livestock, application of animal manure to land, application of herbicides and pesticides to fields and growing crops, creation of dust from field operations and noise from livestock and machinery operations which includes the drying and transportation of grain, sometimes with machinery that has a “Slow Moving Vehicle” emblem on it, meaning it is traveling at 25 mph or less.

People who choose to live in these areas must understand that agricultural operations may be occurring nearby.

You must also understand that Indiana has a “RIGHT TO FARM” law that protects farm operations from unwarranted nuisance suits by neighbors who move next to an existing farm operation. Farm operations do not constitute a nuisance so long as they are not negligently maintained, do not endanger human health and do not cause bodily injury to third parties.

By signing this notice form you verify that you have received it, read it and understand it. You are not giving up the right to seek redress for negligence by individuals associated with a farm operation or by other residents of the area.
