WELLS COUNTY ORDINANCE NO. 2018-____

An Ordinance Concerning the Adoption of a Public Records Policy for Wells County Government to Implement and Ensure Compliance with the Provisions of Indiana Code 5-14-3 (Access to Public Records) for the County's Public Records.

WHEREAS, IC 5-14-3, the Access to Public Records Act ("APRA"), was enacted to permit the citizens of Indiana broad and easy access to public records. By providing the public with the opportunity to review and copy public records, the APRA gives individuals the opportunity to obtain information relating to their government and to more fully participate in the governmental process; and

WHEREAS, The Board of Commissioners of the County of Wells believes that a written Policy is essential to provide rules by which the County and its departments implement and ensure compliance with the provisions of the APRA for access to the County's public records while protecting public records from damage or disorganization, and shall preventing excessive interference with essential government functions.
