What's Recyclable and What's Not

Acceptable Items

Paper

Newspaper, paper sacks, magazines, office and computer paper, junk mail, paper board (ex. - cereal boxes, soda boxes, and shoe boxes), and old corrugated containers and books

Glass

Beer, wine and food jars.

Metals

Aluminum and bi-metal beverage cans, aluminum foil wrapping, baking ware, food cans, canning lids, metal baking dishes (without non-stick coating), metal food or drink lids, coat hangers

Plastic - #1, 2, 3, 4, 5, 6 & 7

Soda bottles, naturals (milk, juice, distilled or drinking water jugs), dishwashing detergent bottles, vinegar bottles, mixed colored containers (such as laundry detergent or fabric softener

containers, bleach jugs and any household cleaner bottles) cottage cheese containers, margarine or topping containers

Not Acceptable Items

Paper

Waxed or carbon paper, waxed paperboard milk, juice, or fabric softener refill containers

Metals

Folding outdoor chairs with the webbing still attached, water pumps, engine parts, etc....

Glass

Window glass, ceramic, candle containers, medical bottles, light bulbs and corning containers

Plastic

Plastic wrap, freezer/food bags, tableware (forks, spoons, etc.) dishes or plates, flower pots, bakery containers, no food grade plates, "clam shells", egg cartons, meat or vegetable trays, cups made from polystyrene, packing "peanuts", toys or plastic bags

IT IS A TREMENDOUS HELP TO HAVE THE MATERIALS PRE-SORTED - IF POSSIBLE - SEPARATE ALUMINUM CANS AND FOIL FROM ALL OTHER METALS, CORROGATED FORM ALL PAPERS!!
PLEASE RINSE OUT ALL CONTAINERS.

THANK YOU VERY MUCH FOR YOUR HELP, SERVICE AND SUPPORT
