CORRECTIONS
Athentic, Inc. offers the most complete land ownership maps for your county. Our research staff strives to search out the most up-to-date property ownership information on sites over five acres. However, error can occur; by our research staff and/or in the Court House records. If you are aware of an error, omission, deletion, etc. which has occurred in the county plat book, please let us know. For land owner corrections, please include the following: Township number, Range number, old owner and new owner names, acreage and county name. Write or call with this information to our Research Department.

MESSAGE FROM OUR COMPANY www.athenticinc.com / 219/362-8508
This book is published as a reference guide to county land ownership. The enclosed data was compiled from official Public Records at your County Court House and elsewhere. Due to the continual sales and transfers of property, we cannot guarantee 100% accuracy. While we have made our best effort to prepare an accurate publication, we cannot accept responsibility for omissions or errors. If you are aware of an error, please let our office know so that we can correct our records and continue to improve the accuracy of the ownership information. We wish to acknowledge the assistance we received from your county officials and the excellent participation of the business people throughout the county. Their cooperation and support has made your County Plat Book possible.
