

# The Indiana Commission to Combat Drug Abuse

*Behavioral Health Division*

## Comprehensive Community Plan

County: Wells

LCC Name: CADA (Citizens Against Drug Abuse)

LCC Contact: Angie Dial

Address: 102 W. Market Street – Suite 205

City: Bluffton, IN 46714

Phone: (260) 824.8574

Email: CADAofWellsCounty@yahoo.com

County Commissioners: Michael Vanover – Blake Gerber – Jeff Stringer

Address: Wells County Courthouse – 102 W. Market Street

City: Bluffton

Zip Code: 46714

## **Vision Statement**

What is your Local Coordinating Council's vision statement?

CADA strives to raise awareness and reduce substance abuse through education and collaboration.

## **Mission Statement**

What is your Local Coordinating Council's mission statement?

The mission of Wells County Citizens Against Drug Abuse (CADA) is to investigate alcohol, tobacco, and other drug problems in our community; coordinate efforts to reduce these problems; and examine funding of programs designed to achieve this goal.

<b>Membership List</b>					
<b>#</b>	<b>Name</b>	<b>Organization</b>	<b>Race</b>	<b>Gender</b>	<b>Category</b>
1	Adams, Kari	Bowen Center	C	F	TREATMENT
2	Andrews, Vicki (treasurer)	Southern Wells / Wells Co Govt	C	F	PREVENTION
3	Bailey, Wendy	Alive and Well	C	F	PREVENTION
4	Bice, Twila	Community Thrift / CCNEI			
5	Blevins, Lynn	Wells County Health Dept	C	M	PREVENTION
6	Carroll, Adam	Loving Shepherd Ministries	C	M	TREATMENT
7	Conner, Kim	Southern Wells Community Sch	C	F	PREVENTION
8	Dial, Angie (coordinator)	Family Centered Services	C	F	PREVENTION
9	Diamond, Andrea	Hannah's House / CCNEI	C	F	PREVENTION
10	Greer, Det Quinton	Wells County Sheriff's Dept	C	M	JUSTICES SERVICES
11	Haney, Janet	DHMA Regional Representative	C	F	PREVENTION
12	Heckel, Det Marijean	Bluffton Police Dept	C	F	JUSTICE SERVICES
13	Herrold, Stacy	Bluffton Middle School	C	M	PREVENTION
14	Hoag, Molly (vice-chairman)	Purdue Extension	C	F	PREVENTION
15	Holderman, Deane' (secretary)	Department of Child Services	C	F	JUSTICES SERVICES
16	Hulvey, Angela	Norwell High School	C	F	PREVENTION
17	Johnson, John	Norwell Middle School	C	M	PREVENTION
18	Kent, Sydney	Bluffton News Banner/Yehosua	C	F	PREVENTION
19	King, Lew	CAC / Wells On Wheels	C	M	TREATMENT
20	McClish, Ofc Brian	Ossian Police Dept	C	M	JUSTICE SERVICES
21	Meadows, Jennifer	Wells County EMS	C	F	TREATMENT

30	<b>Whicker, Mayor John</b>	<b>City of Bluffton</b>	<b>C</b>	<b>M</b>	<b>JUSTICES SERVICES</b>

#### **LCC Meeting Schedule:**

Please provide the months the LCC meets throughout the year:

2<sup>nd</sup> Thursday of the month at 11:30 am at the 4-H Community Center (unless otherwise noted):

JANUARY 11, 2024

FEBRUARY 8, 2024

MARCH 14, 2024

APRIL 11, 2024

MAY 9, 2024 @ FCS

JUNE 13, 2024

JULY - - no meeting

AUGUST 8, 2024

SEPTEMBER 12, 2024

OCTOBER 10, 2024 - - @ FCS

NOVEMBER 14, 2024

DECEMBER 12, 2024

*\*meetings are held from 11:30 am to 12:30 pm*

## II. Community Needs Assessment

*The first step in developing an effective substance use and misuse reduction plan is to assess your community. A community assessment tells you about your community's readiness to implement prevention, treatment, and justice-related programs to address substance use and misuse. An assessment also provides an overview of the risk and protective factors present in the community, helping your coalition plan more effectively.*

### Community Profile

County Name Wells County
County Population 28,142 (2020 census)

## Community Risk and Protective Factors

*Use the list of risk and protective factors to identify those present in your community. Identify the resources/assets and limitations/gaps that exist in your community related to each. The lists are not all-inclusive and others may apply.*

**Risk Factors Examples:** trauma and toxic stressors; poverty violence; neighborhood characteristics; low neighborhood attachment; community disorganization; community norms and laws favorable toward drug use, firearms, and crime; availability of alcohol and other drugs; weak family relationships; family substance use; peer substance use; mental health problems; families moving frequently from home to home; limited prevention and recovery resources.

**Protective Factors Examples:** strong family relationships; neighborhood economic viability; low childhood stress; access to health care; access to mental health care; community-based interventions; restricted access to alcohol and other drugs including restrictive laws and excise taxes; safe, supportive, and connected neighborhoods; meaningful youth engagement opportunities; local policies and practices that support healthy norms and child-youth programs; positive connection to adults.<sup>1</sup>

Risk Factors	Resources/Assets	Limitations/Gaps
--------------	------------------	------------------

<sup>1</sup>Risk and protective factors extracted from IUPUI Center for Health Policy Community Conditions Favorable for Substance Use, April 2018.

1. Wells County is a rural community	<ul style="list-style-type: none"> <li>1. population density is low</li> <li>2. small town mentality; want community to thrive</li> <li>3. family oriented; take care of our own</li> </ul>	<ul style="list-style-type: none"> <li>1. limited recovery resources; limited transportation options to treatment/recovery services</li> <li>2. portion of population has limited financial resources making programming and services cost prohibitive</li> <li>3. interconnected community; vulnerability and stigma often prevents seeking treatment</li> </ul>
2. Wells County offers limited awareness for treatment and recovery services	<ul style="list-style-type: none"> <li>1. treatment capacity is expanding</li> <li>2. a variety of support group options are available</li> <li>3. efforts continue to be made to reduce stigma and increase community support</li> </ul>	<ul style="list-style-type: none"> <li>1. mental health and treatment services are limited; need outweighs availability</li> <li>2. limited financial resources and awareness of services hinders options limits seeking treatment</li> <li>3. lack of experienced staff; agencies struggle to fill openings</li> </ul>
3. There are high incidents of substance use in Wells County	<ul style="list-style-type: none"> <li>1. youth prevention programs</li> <li>2. community awareness programs</li> <li>3. compassionate and well-trained first responders</li> </ul>	<ul style="list-style-type: none"> <li>1. high arrest rate for alcohol and drug crimes</li> <li>2. ATOD use can lead to other criminal acts</li> <li>3. arrest to treatment time lapse is unfavorable</li> </ul>
<b>Protective Factors</b>	<b>Resources/Assets</b>	<b>Limitations/Gaps</b>
1. Youth education is available in Wells County	<ul style="list-style-type: none"> <li>1. county high schools utilize random student drug testing provide resources and access to mental health counselors for ATOD support</li> <li>2. community ATOD resources, programming and collaboration</li> <li>3. diversion programming for first time offenders offers ATOD education</li> </ul>	<ul style="list-style-type: none"> <li>1. youth use is increasing; especially via vaping devices</li> <li>2. families financial needs are outweighing resources available, especially housing and food, presenting challenges in education and supervision</li> <li>3. households in poverty are increasing</li> </ul>
2. Community education opportunities are provided in Wells County	<ul style="list-style-type: none"> <li>1. CADA promotes community partnerships and discussion on trends and opportunities</li> </ul>	<ul style="list-style-type: none"> <li>1. lack of experienced staff; agencies struggle to fill</li> </ul>

	<p>2. Systems of Care brings providers together via monthly WRAPP meetings</p> <p>3. a Drug Task Force has been formed through the Chamber of Commerce to help be part of the solution</p>	<p>2. getting people who need the knowledge and resources around the table</p> <p>3. programming can be cost prohibitive</p>
<p>3. Treatment and support options continue to slowly increase in Wells County</p>	<p>1. treatment provider capacity is increasing</p> <p>2. programming has increased with virtual options continuing to hard to reach populations</p> <p>3. support options include a newly opened recovery house for women; a transitional home for women also continues to grow</p>	<p>1. cost can be prohibitive</p> <p>2. capacity/enrollment/waiting period doesn't allow services to be available when needed, often due to lack of experienced mental health care providers and increasing patient ratios</p> <p>3. transportation can be a barrier</p> <p>4. local rehab/detox center recently closed</p>

### III. Making A Community Action Plan

*Now that you have completed a community assessment and have identified the risk and protective factors that exist, you can develop a plan of action. The Comprehensive Community Plan (CCP) is a systematic and community-driven gathering, analysis, and reporting of community-level indicators for the purpose of identifying and addressing local substance use problems.*

Step 1: Create problem statements, and ensure problems statements are in line with statutory requirements

Step 2: Ensure your problem statements are evidence-informed, then prioritize

Step 3: Brainstorm what can be done about each

Step 4: Prioritize your list, and develop SMART goal statements for each

Step 5: List the steps to achieve each goal

#### Step 1: Create + Categorize Problem Statements

*Create problem statements as they relate to each of the identified risk factors.*

Risk Factors	Problem Statement(s)
1. Wells County is a rural community	1. shortages in experienced staff has hindered needed awareness and education efforts in Wells County  2. an increasing patient ratio among mental health care providers is detrimental to availability and quality of ATOD services  3. there is a need for more diverse ATOD resources and services in Wells County and an ongoing need for funding to support the efforts
2. Wells County offers limited capacity for treatment and recovery services	1. delays in licensing efforts and the availability of providers presents a new challenges in serving those in treatment and recovery  2. there is an ongoing need for ATOD treatment and recovery services in Wells County  3. transportation can be a barrier to ATOD services in Wells County
3. There are high incidents of substance use in Wells County	1. ATOD use among youth and adults is problematic in Wells County  2. there is an increase in recreational use of marijuana due to the ease of access from Ohio and

	<p>Michigan; youth use is increasing due to the normalization of marijuana use</p> <p>3. there is an increase in mental health incidents in both youth and adults and an increase in relapses and overdoses in Wells County</p>
--	---

**Step 2: Evidence-Informed Problem Statements**

*Identify your top three problem statements using local or state data. Ensure that there is a problem statement for each co-equal funding category (e.g., prevention/education; intervention/treatment; and criminal justice services and activities).*

Problem Statements	Data That Establishes Problem	Data Source
1. ATOD use among youth is problematic in Wells County	-12.03% of random student drug testing in county MIDDLE schools (2022-2023 school year) came back positive for substance use (of the positive outcomes, 68.4% was for cotinine; 10.5% for THC; 5.3% amphetamines; 15.8% for both cotinine and THC)	Bluffton Middle School Norwell Middle School
	-10.77% of random student drug testing in county HIGH schools (2022-2023 school year) came back positive for substance use (of the positive outcomes, 71.8% was for cotinine; 28.2% for THC)	Bluffton High School Norwell High School Southern Wells Jr/Sr HS
	-55 citations were issued in 2023 (44 BPD / 11 WCSD / 0 OPD) for minor in possession of tobacco, including vapes under IC35-46-1-10.5	Bluffton Police Department Wells County Sheriff's Dept Ossian Police Department
	-14% (7 out of 50) juvenile offenders were placed on probation supervision in 2023 for substance-related offenses	Wells County Probation
	-20 juveniles were dispositioned through Teen Court in 2023; 17 (85%) were for ATOD use 4 alcohol / 13 vaping)	Wells County Teen Court / FCS

<p>2. There is an ongoing need for ATOD treatment and recovery services in Wells County</p>	<p>-496 clients received services for chemical dependency in Wells County in 2023 (170 at Park Center, 139 at Bowen Center, 187 at Renovate Counseling Services)</p> <p>-124 chemical dependency clients participated in MAT programming in 2023 (65 at Park Center and 59 at Bowen Center)</p> <p>-17 youth in 2023 attended the 12-week SUD relapse prevention therapy group through Park Center</p> <p>-23 women participated in ATOD education while living in a transitional shelter throughout 2023; a recovery home for women opened in October 2023, 5 women resided during the last 3 months of 2023</p> <p>-There were 11 weekly support meetings held in 2023 in Wells County (3-AA, NA, RU, ABL-BH, Thistles, Unshackled, iTown Recovery, Foundations of Truth, Tri Recovery)</p> <p>-In 2023, WOW (Wells On Wheels) provided 321 trips to/from treatment or support groups</p>	<p>Park Center Bowen Center Renovate Counseling Services</p> <p>Park Center Bowen Center</p> <p>Park Center</p> <p>Grace and Mercy Hannah's House</p> <p>CADA Community Corrections 2024 Wells County Fact Book</p> <p>Wells County Council on Aging (Wells On Wheels)</p>
<p>3. ATOD use among adults is problematic in Wells County</p>	<p>-Of 985 (368 BPD / 594 WCSO / 23 OPD) total adult arrests in 2023, 22.13% (60 BPD / 155 WCSO / 3 OPD) were drug arrests and 16.55 (40 BPD / 119 WCSO / 4 OPD) were DUI/OVI arrests</p> <p>-48.28% (197 out of 408) adult offenders were placed on probation in 2023 for substance-related offenses</p>	<p>Wells County Sheriffs Dept Bluffton Police Dept Ossian Police Dept</p> <p>Wells County Probation</p>

	<p>-Drug screens for overall probation population in 2023 with positive results for common drugs of abuse* was 590 out of 1,484 (39.76%) *methamphetimes / cocaine / fentanyl / marijuana</p> <p>-83 doses of Narcan are in the hands of Wells County citizens through a NaloxBox (installed March 16, 2023) made possible through CADA and Community Care of NEI</p> <p>BPD administered a total of 29 doses of Narcan for 15 events/patients throughout 2023</p> <p>-241 deaths occurred throughout 2023; 4 (1.66%) were considered by overdose (2 fentanyl toxicity; 1 methamamphetamine toxicity; 1 drug overdose)</p>	<p>Wells County Probation</p> <p>Community Care of NEI</p> <p>Bluffton Police Dept</p> <p>Wells County Health Dept</p>
--	--	--

**Step 3: Brainstorm**

*Consider the resources/assets and limitations/gaps that were identified for each risk factor, and list what actions can be taken for each identified problem statement.*

Problem Statements	What can be done (action)?
1. ATOD use among youth is problematic in Wells County	<p>1. Support programs that seek to improve and increase community attachment, engagement and education for the youth population as a means to increase protective factors against ATOD use</p> <p>2. Support schools to continue random student drug testing programs and to collaborate to provide resources for students in violation or in need of ATOD or mental health services</p> <p>3. Support local law enforcement and other agency efforts to increase their capacity to reduce ATOD use in youth</p>
2. There is an ongoing need for ATOD treatment and recovery services in Wells County	1. Support current ATOD education, prevention, intervention and treatment services and

	<p>programming; especially to underserved populations</p> <p>2. Support new ATOD education, prevention, intervention and treatment programming and services</p> <p>3. Seek and support options to remove barriers to treatment and support services, including transportation services, virtual services and other unmet needs</p>
3. ATOD use among adults is problematic in Wells County	<p>1. Support programs that seek to improve and increase community attachment, engagement and education for the adult population as a means to increase protective factors against adult substance use</p> <p>2. Encourage and support community education efforts regarding ATOD use to increase awareness of dangers, to promote available resources, and to reduce the stigma associated with substance use</p> <p>3. Support local law enforcement and other agency efforts to increase their capacity to reduce substance use in adults</p>

**Step 4: Develop SMART Goal Statements**

*For each problem statement, prioritize your list of what can be done. Choose your top two actions for each. Then, develop goal statements that demonstrate what change you hope to achieve and by when you hope to achieve it.*

<b>Problem Statement #1</b>
<p>Goal 1 In 2024, CADA will provide funding towards at least one program dedicated to support awareness on youth ATOD use in Wells County, including random student drug testing</p>
<p>Goal 2 100% of juveniles referred to Teen Court for ATOD-related offenses in 2024 will receive at least 1 opportunity for ATOD education</p>
<b>Problem Statement #2</b>
<p>Goal 1 CADA members will participate in the newly formed Drug Task Force monthly meetings arranged through the Wells County Chamber of Commerce and provide available funding to assist in solutions that address the ongoing ATOD challenges in Wells County</p>

<p>Goal 2 In 2024, the number of trips by WOW (Wells On Wheels) taking passengers to treatment or support groups will increase by 4</p>
<p><b>Problem Statement #3</b></p>
<p>Goal 1 Positive drug screens for probationers participating in MRT and other probation services will decrease by 1% during 2024</p>
<p>Goal 2 In 2024, the amount of Narcan available through a newly installed NaloxBox at Community Care of NEI to Wells County residents will increase by 3%</p>

### Step 5: Plans to Achieve Goals

*For each goal, list the steps required to achieve each*

Problem Statement #1	Steps
<p>Goal 1 In 2024, CADA will provide funding towards at least one program dedicated to support awareness on youth ATOD use in Wells County, including random student drug testing</p>	<ol style="list-style-type: none"> <li>1. Fund prevention and/or education programs focused on youth ATOD use; including virtual options</li> <li>2. Support intervention and/or treatment efforts focused on youth; including virtual/telehealth options</li> <li>3. Fund training for law enforcement and/or justice services and supports that enhance youth recovery from alcohol use</li> </ol>
<p>Goal 2 100% of juveniles referred to Teen Court for ATOD-related offenses in 2024 will receive at least 1 opportunity for ATOD education</p>	<ol style="list-style-type: none"> <li>1. Fund random drug testing programs to help deter ATOD use for students</li> <li>2. Support intervention and/or treatment options for schools to refer students, including remote learning options</li> <li>3. Fund and support SRO's to enhance efforts to educate and monitor students in regards to ATOD use</li> </ol>
Problem Statement #2	Steps
<p>Goal 1 CADA members will participate in the newly formed Drug Task Force monthly meetings arranged through the Wells County Chamber of</p>	<ol style="list-style-type: none"> <li>1. Fund prevention and/or education programs and services; educate providers and members of the community on services available</li> </ol>

<p>Commerce and provide available funding to assist in solutions that address the ongoing ATOD challenges in Wells County</p>	<ol style="list-style-type: none"> <li>2. Support new and current intervention and/or treatment efforts available in the community; including virtual/telehealth options</li> <li>3. Support efforts to remove transportation and other barriers experienced by the recovery community</li> </ol>
<p>Goal 2 In 2024, the number of trips by WOW (Wells On Wheels) taking passengers to treatment or support groups will increase by 4</p>	<ol style="list-style-type: none"> <li>1. Support education efforts for CARE and other programs to support recovery services</li> <li>2. Fund intervention and treatment efforts to support recovery</li> <li>3. Support justice services and/or programs used to support recovery</li> </ol>
<p><b>Problem Statement #3</b></p>	<p><b>Steps</b></p>
<p>Goal 1 Positive drug screens for probationers participating in MRT and other probation services will decrease by 1% during 2024</p>	<ol style="list-style-type: none"> <li>1. Fund prevention and/or education programs for the general community and for professionals regarding substance use</li> <li>2. Support awareness for substance use intervention and/or treatment efforts</li> <li>3. Fund training for law enforcement/justice services and/or supports that enhance recovery efforts</li> </ol>
<p>Goal 2 In 2024, the amount of Narcan available through a newly installed NaloxBox at Community Care of NEI to Wells County residents will increase by 3%</p>	<ol style="list-style-type: none"> <li>1. Support prevention/education programs or training for the community, including harm reduction efforts</li> <li>2. Support intervention and/or treatment efforts for individuals</li> <li>3. Support justice services and/or supports to enhance adult recovery from alcohol and drugs</li> </ol>

## IV. Fund Document

The fund document allows the LCC to provide finances available to the coalition at the beginning of the year. The fund document gauges an LCC's fiscal wellness to empower their implementation of growth within their community. The fund document also ensures LCCs meet the statutory requirement of funding programs within the three categories of (1) Prevention/Education, (2) Treatment/Intervention, and (3) Criminal Justice Services and Activities (IC 5-2-11-5).

Funding Profile		
<b>1</b>	Amount deposited into the County DFC Fund from fees collected last year:	\$19,784.86
<b>2</b>	Amount of unused funds from last year that will roll over into this year:	\$0.00
<b>3</b>	Total funds available for programs and administrative costs for this year (Line 1 + Line 2):	\$19,784.86
<b>4</b>	Amount of funds granted last year:	\$22,128.07
Additional Funding Sources (if no money is received, please enter \$0.00)		
<b>A</b>	Substance Abuse and Mental Health Services Administration (SAMHSA):	\$0.00
<b>B</b>	Centers for Disease Control and Prevention (CDC):	\$0.00
<b>C</b>	Bureau of Justice Administration (BJA):	\$0.00
<b>D</b>	Office of National Drug Control Policy (ONDCP):	\$0.00
