

# Policy for Wells County Drainage Board/Surveyor's Office for Reimbursement of Repair of Broken County Tiles and Drain Repairs

When a landowner or tenant wishes to make a repair to a county regulated drain, or to hire a contractor not on the list of emergency repair contractors, the following shall be the policy for payment/reimbursement:

The Wells County Surveyor's office shall compile the prices from the list of contractors that submitted quotes. Payment will not exceed the lowest contractor price for each class and size of equipment and labor.

All repairs will need to be pre-approved before the work is completed, and is subject to inspection by the Board/Surveyor.
