“We” version of the Serenity Prayer
*God, grant us the SERENITY to accept the things we cannot change.
The COURAGE to change the things we can.
And the WISDOM to know the difference*

Narcotics Anonymous’ Third Step Prayer
*Many of us have said,
“Take my will and my life.
Guide me in my recovery.
Show me how to live.”*

“To our new groups in areas that are just forming: We have found STEP STUDY MEETINGS and LITERATURE STUDY MEETINGS to be a very important beginning of the members’ growth. We encourage you to do your best together with love and fellowship, and keep coming back: It works!”

ACTIVITIES SUBCOMMITTEE PRESENT:

NA IN RURAL COMMUNITIES LEARNING DAY

SATURDAY, JULY 19, 2025, 11 AM TO 4 PM
1325 NORTH 350 EAST, ANGOLA, IND.

What is the Narcotics Anonymous® program?

NA is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest that you keep an open mind and give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work.

There are no strings attached to NA. We are not affiliated with any other organizations. We have no initiation fees or dues, no pledges to sign, no promises to make to anyone. We are not connected with any political, religious, or law enforcement groups, and are under no surveillance at any time. Anyone may join us, regardless of age, race, sexual identity, creed, religion, or lack of religion.

We are not interested in what or how much you used or who your connections were, what you have done in the past, how much or how little you have, but only in what you want to do about your problem and how we can help. The newcomer is the most important person at any meeting, because we can only keep what we have by giving it away. We have learned from our group experience that those who keep coming to our meetings regularly stay clean.

FIRST NINETY DAYS OF RECOVERY
is a good idea.”***

How It Works

If you want what we have to offer, and are willing to make the effort to get it, then you are ready to take certain steps. These are the principles that made our recovery possible.

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to our affairs.

Phone List

“Using these phone numbers will feel strange at first, even silly. But, given that isolation is at the core of the disease of addiction, that first phone call is a big stride forward. It isn’t necessary to wait for a major problem to develop before calling someone in NA.”

“Staying Clean on the Outside”**

Just For Today

Tell yourself:

JUST FOR TODAY my thoughts will be on my recovery, living and enjoying life without the use of drugs.

JUST FOR TODAY I will have faith in someone in NA who believes in me and wants to help me in my recovery.

JUST FOR TODAY I will have a program. I will try to follow it to the best of my ability.

JUST FOR TODAY, through NA, I will try to get a better perspective on my life.

JUST FOR TODAY I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life. So long as I follow that way, I have nothing to fear.
