DUSTAY IS NOT A YEAR ROUND DUST CONTROL. The County Highway Department will have FULL authority to maintain said road by GRADING or adding stone as needed at any time during the year. Participant agrees to pay in advance for said DUSTAY control. After November 1st, it is the Highway Superintendent's decision to grade through any or all dust control strips.

If potholes appear in your DUSTAY strip it is **your** responsibility to maintain them. If strips are not properly taken care of, it will be the option of the Wells County Highway Department to grade them to provide proper road maintenance. There will be cold mix available to fill these holes. (The cold mix is available for pick-up to current DUSTAY applicants only, from May to October.)

THE WELLS COUNTY HIGHWAY DEPARTMENT IS NOT RESPONSIBLE FOR ANY DAMAGE TO VEHICLES AFFECTED BY THE DUST CONTROL MATERIAL USED ON THE ROADS AT THE TIME OF APPLICATION.
